1 MAINTAINING BALANCE

The flex room provides a versatile space, ideal for relaxing with a book, practicing yoga, working, or even a mini playroom. Designated space for different activities can help you manage your daily routine, close off the clutter, and adapt as your needs change.

2 EFFORTLESS GARAGE

A shop provides maximum space for the water heater and all your necessities, ensuring plenty of parking clearance to reduce everyday friction. Check the variations page for other versions of this space.

3 ORGANIZED ENTRY

This mudroom nook and closet are designed to minimize clutter right where it starts, bringing peace to the rest of the home.

4 CALM KITCHEN

A kitchen with a walk-in pantry and over 8 ft island provide ample storage to ensure stress-free living.

5 PEACEFUL OUTDOORS

Time outside can boost your well-being, and a covered patio allows you to enjoy the benefits year-round.

Upper Level

1 BLISSFUL SANCTUARY

This primary suite includes a 5-piece bath with natural light. Open shelving provides convenient storage for towels and essentials. Thoughtful design touches enhance the spa-like atmosphere, creating a relaxing retreat.

2 SLEEPING SOUNDLY

Flushing toilets, rumbling laundry machines, and the air handler have been strategically arranged to minimize contact with bedroom walls.

3 LOFTY SPACES

Whether relaxing or entertaining, this loft is an excellent space to enjoy the cozy comforts of home. Check the variations page for other versions of this space.

4 SENSE OF ORDER

Walk-in closets in both secondary bedrooms and a large hall linen closet are a treat. Everything in this home has its place, giving you peace of mind.

5 NATURAL BOOST

The positive impacts of natural light are many. Extra windows in spaces like the stairwell can make a difference in how your home feels day-to-day. A half wall at the loft also lets light flow through.

WHAT IS LIFEMADE?

lifemade™ draws on real homeowner data and insights to guide every design and construction decision, ensuring that each home is thoughtfully crafted to be the happiest place in the world.

lifemade
homes built for happiness™

Renderings, floor plans, options, and variations on all pages are computer generated. Actual construction may vary. Pricing, dimensions, exteriors and specifications are subject to change, and depend on construction timelines. Ask your sales consultant for more information.

The 2336 Variations

CCB: 133921
WAWI882ML

Some homes feature alternate configurations that provide variety across each plan. Depending on construction progress, your home may already include some of these features. We'll help you explore what's available and guide you to a home that suits your needs and timeline.
