1 SPARKING JOY

Tucked under the stairs, this versatile space invites creativity—perfect for a kids' play nook, storage, or even a wine corner. It offers a hidden spot where functionality meets fun, sparking joy for every family member.

2 NATURAL BOOST

The positive impacts of natural light are many. Extra windows in spaces like the foyer can make a difference in how your home feels day-to-day.

3 PEACEFUL OUTDOORS

Time outside can boost your well-being, and a covered patio allows you to enjoy the benefits year-round.

4 SMARTER LIVING

From the moment you walk in, easily drop off bags, coats, and shoes before swiftly storing groceries in the adjacent pantry and kitchen.

5 BUILT FOR YOU

Plenty of options and variations throughout the home allow you to enjoy increased functionality and personalized design for your unique lifestyle. Ask your Sales Consultant for more details.

Upper Level

1 LOFTY SPACES

Whether relaxing or entertaining, this loft is an excellent space to enjoy the cozy comforts of home. Check the variations page for other versions of this space.

2 STORAGE IN STYLE

A large bathroom counter provides ample storage, while the window brings in natural light and fresh air. The center space can be a great location for bath accessories or a makeup area.

3 ELEVATED RETREAT

The vaulted ceiling* in the primary suite creates an open, airy retreat, while two spacious closets offer abundant storage.

*Vault is replaced by Coffered ceiling on the B elevation.

4 SLEEPING SOUNDLY

Flushing toilets, rumbling laundry machines, and the air handler have been strategically arranged to minimize contact with bedroom walls.

5 SEAMLESS HOME

The utility room has an optional structure that can help with adapting to your routine. Adding a pass-through door takes it to the next level of convenience.

WHAT IS LIFEMADE?

Lifemade™ draws on real homeowner data and insights to guide every design and construction decision, ensuring that each home is thoughtfully crafted to be the happiest place in the world.

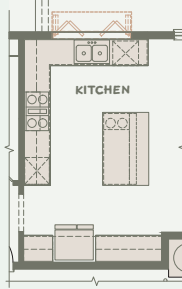

Renderings, floor plans, options, and variations on all pages are computer generated. Actual construction may vary. Pricing, dimensions, exteriors and specifications are subject to change, and depend on construction timelines. Ask your sales consultant for more information.
