1 SMARTER LIVING

The short distance between the garage entry and kitchen minimizes the toll of carrying heavy groceries which can weigh dozens of pounds.

2 HAPPY MEMORIES

The walk-in pantry, prep kitchen, and spacious 10-foot island create a perfect setup for hosting loved ones. Thoughtful flow promotes interaction. The sink is positioned toward open space, keeping conversations flowing as you entertain.

3 EFFORTLESS GARAGE

A water heater nook improves parking clearance to reduce everyday friction.

4 PEACEFUL OUTDOORS

Time outside can boost your well-being, and a covered patio allows you to enjoy the benefits year-round. The courtyard-style layout enhances privacy and provides protection from the wind during colder months.

5 BLISSFUL SANCTUARY

This primary suite includes a 5-piece bath with natural light and a generous closet.
