Lower Level

1 ORGANIZED ENTRY

This mudroom is designed to minimize clutter right where it starts, bringing peace to the rest of the home. Check the variations page for other versions of this space.

2 PEACEFUL OUTDOORS

Time outside can boost your well-being, and a covered patio allows you to enjoy the benefits year-round. The courtyard-style layout enhances privacy and provides protection from the wind during colder months.

3 CONTINUOUS FLOW

The central kitchen and open great room bring everyone together while maximizing sight-lines for entertaining. Ask about the optional sliding door to the courtyard patio – a feature that expands your livable space, blurring the line between indoors and outdoors perfect for unwinding or hosting in style.

4 SUITE ESCAPE

The primary suite offers a peaceful retreat. Vaulted ceilings and ample windows create an airy atmosphere, while a spacious bathroom with open shelving adds an ideal finishing touch.

5 WORK-LIFE BALANCE

Compact yet versatile, a flex room with lots of natural light offers dedicated space ideal for work, study, or creative projects giving you the ability to step away when it's time to unwind.

Upper Level

1 WELL-TAILORED

This versatile flex space can be tailored to your needs – use it as a mini playroom, gaming or reading room, or even a craft room. Designated space for different activities can help you manage your daily routine and adapt as your needs change. It can also be repurposed later as a storage space.

2 LOFTY SPACES

Whether relaxing or entertaining, this vaulted loft is an excellent space to enjoy the cozy comforts of home in style. Check the variations page for other versions of this space.

3 SENSE OF ORDER

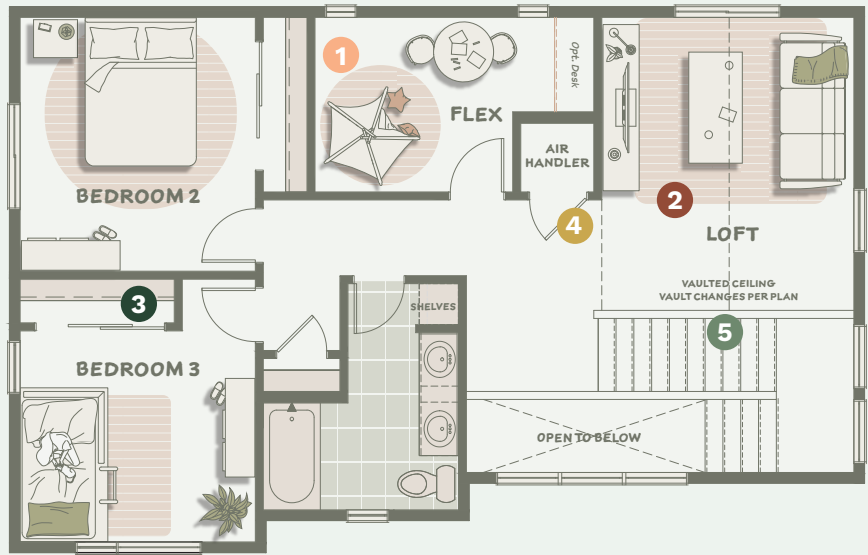

A linen closet and extra bathroom storage are a treat. Everything in this home has its place, giving you peace of mind.

4 SLEEPING SOUNDLY

Flushing toilets, rumbling laundry machines, and the air handler have been strategically arranged to minimize contact with bedroom walls.

5 BUILT FOR YOU

Plenty of options and variations throughout the home allow you to enjoy increased functionality and personalized design for your unique lifestyle. Ask your Sales Consultant for more details.

WHAT IS LIFEMADE?

Lifemade™ draws on real homeowner data and insights to guide every design and construction decision, ensuring that each home is thoughtfully crafted to be the happiest place in the world.
