Lower Level

1 HANDY CLEANING CLOSET

A dedicated closet with a built-in outlet for charging a cordless vacuum — plus a coat closet nearby — means first-floor storage is covered.

2 FIREPLACE FLOURISHES

The fireplace anchors the great room and invites cozy nights in. Ask about ways to personalize it.

3 OUTDOOR LIVING, YOUR WAY

Take indoor-outdoor living further with options like a second patio or a bi-fold kitchen window. Ask your Sales Consultant for details.

4 COOK. STORE. REPEAT.

Steps from the garage for easy grocery runs, with plenty of cabinets, counter space, and a roomy pantry for everything else.

Upper Level

1 BRIGHT, OPEN TRANSITION

An open stairwell with a half-wall design carries the first floor's light and calm right up to the second.

2 SUN-FILLED PRIMARY SUITE

Big windows fill the primary with natural light, and a window in the ensuite adds extra air and brightness.

3 QUIETER NIGHTS, COFFERED CEILINGS

More than a design detail — coffered ceilings help dampen sound for a more restful sleep.

4 LINENS, STEPS FROM LAUNDRY

A dedicated linen closet right by the washer and dryer keeps sheets and towels easy to swap and easy to find.

WHAT IS LIFEMADE?

Lifemade™ draws on real homeowner data and insights to guide every design and construction decision, ensuring that each home is thoughtfully crafted to be the happiest place in the world.

lifemade
homes built for happiness™

Renderings, floor plans, options, and variations on all pages are computer generated. Actual construction may vary. Pricing, dimensions, exteriors and specifications are subject to change, and depend on construction timelines. Ask your sales consultant for more information.

The 1832 Variations

CCB: 133921
WAWI882ML

Some homes feature alternate configurations that provide variety across each plan. Depending on construction progress, your home may already include some of these features. We'll help you explore what's available and guide you to a home that suits your needs and timeline.
