

The floor plan illustrates the layout of the first floor. On the left is a large **GARAGE** measuring 19/6 X 21/10, featuring a dashed blue rectangle in the lower-left corner. To the right of the garage is a **CRAWL SPACE**. Further right is a **SHOP UNFINISHED** area, 182 SF in size. Between the garage and the shop is a central area containing a staircase with an "UP" arrow, a green-outlined "OPT. BENCH" area, and a "TRASH/ STORAGE" area. A "COATS" closet is located near the shop. A "CRAWL ACCESS" door is shown on the right side of the crawl space. Retaining walls are indicated along the top and left edges of the garage area. A small square with an 'X' is located at the bottom left of the plan.
