1 EFFORTLESS GARAGE

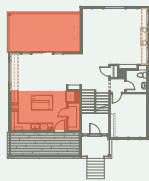

A two-car garage with unfinished shop space gives room for bikes, tools, and projects—supporting real life beyond parking.

2 SENSE OF ORDER

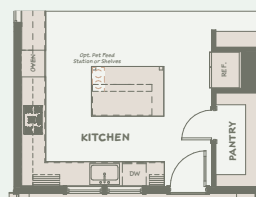

Multiple linen closets, pantry storage, and crawl space access ensure everything has a place, helping the home feel calmer and more open.

Main Level

1 CALM KITCHEN

A walk-in pantry, generous prep space, and optional gourmet kitchen help meals, homework, and conversations happen together without crowding.

2 ORGANIZED ENTRY

Shoe shelving, coat storage, optional bench, and pet station form a drop zone that keeps clutter from spreading through the home.

3 OPEN GREAT ROOM

The great room flows easily into the kitchen and dining area, creating a natural gathering space for family time, casual hosting, and everyday connection.

4 PEACEFUL OUTDOORS

Covered patio and deck connect to the main living space, with an optional outdoor fireplace that makes fresh air part of everyday routines, not just special occasions.

5 USEFUL SPACES

A dedicated den offers quiet separation for work, study, or hobbies—a flexible space that adapts as life changes.

WHAT IS LIFEMADE?

Upper Level

1 END-OF-DAY EASE

The upstairs primary suite is set apart from busy living areas, offering privacy and a quieter place to unwind at the end of the day.

2 LOFTY SPACES

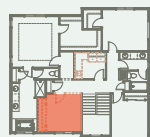

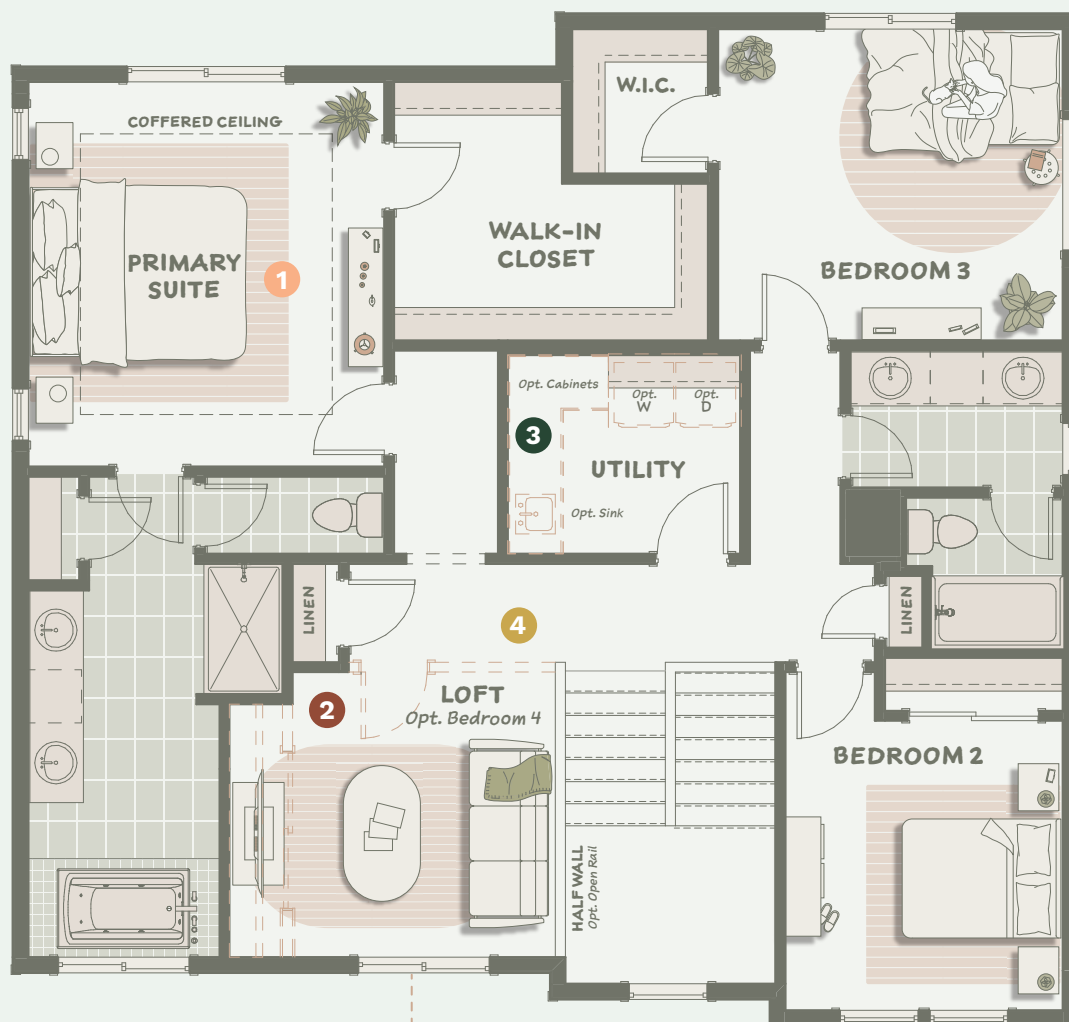

An upstairs loft creates a flexible second living area—ideal for play, relaxing, or quiet evenings without taking over the main floor.

3 DAILY QUALITY

A spacious utility and laundry room provides room to sort, fold, and store essentials, keeping everyday tasks efficient and out of sight.

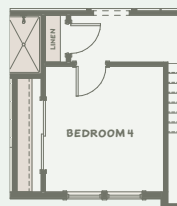

4 BUILT FOR YOU

Plenty of options and variations throughout the home allow you to enjoy increased functionality and personalized design for your unique lifestyle.
